SPRINGFIELD SCHOOL VOLUNTEERS (SSV)

Springfield School Volunteers is a non-profit organization that has been reaching out to the community on behalf of the children of the Springfield Public Schools since 1969.

- SSV annually brings more than 2,400 volunteers into the Springfield Public Schools. These individuals include parents, grandparents, students, retirees and other concerned community members. During the 2008-2009 school year 200 of these volunteers served as one-to-one mentors, with a quarter of those being District Wide Mentors. Volunteers also serve as tutors, readers and in a variety of other capacities to help students and teachers.
 - SSV manages the *Springfield Partners in Education Program*, which helps to bring the resources of businesses, colleges and other organizations into the Springfield Public Schools to help them meet their goals. Currently, 63 of these serve as School Partners to 44 individual public schools, making up 70 different partnerships. In addition, over 200 organizations contribute material and human resources to the Springfield Public Schools each year.
 - SSV also coordinates special programs for schools, such as the Read Aloud Program, which is sponsored by Babson Capital Management, LLC and brings over 550 volunteers and 3,000 books into every preschool through fifth grade classroom in the Springfield Public Schools.
- For more information about Springfield School Volunteers or to become a volunteer, please contact them at 787-7015 or volunteer@sps.springfield.ma.us or visit the SSV website at www.springfieldschoolvolunteers.org
